Remember to share your referral code!

About Pocketed: [Pocketed](#) helps businesses easily access billions of dollars in grants and tax credits with our intelligent matching platform and marketplace for non-dilutive funding. Based on a business's profile, Pocketed automatically generates a list of eligible non-dilutive funding programs. Then, users can connect with the right service providers to increase their success rate and get faster access to cash.

Pocketed makes it free, easy, and fast for businesses to get matched, supported, and funded with grants, tax credits, and other business incentives – all in one place!
